

Application for Non-Standard Equipment on Vanpool Vehicle

Revised 12.23.24

Instructions: Non-standard equipment cannot be installed or mounted on or to a vanpool vehicle without prior authorization from UTA. To apply for authorization to mount or install non-standard equipment or accessories, complete and return this form to UTA.

Please provide a complete description of the component, the reason for the modification, and the estimated cost to assist in the evaluation of your application. Any approved item will be considered a permanent part of the van and cannot be removed at the termination of the lease.

V-code: _____ Van number: _____

Lessee: _____ Lessee's phone number: _____

Item requested: _____

Reason for request: _____
